

## Optics Mount (3-Axis)

Part Number: OM-3-58F

Mechanical Drawing:

Technical Specifications:

| Direction             |         | X, Y and Z-Axis                      |
|-----------------------|---------|--------------------------------------|
| Dimensions (mm)       |         | 58x58                                |
| Adjustment Range (mm) |         | ±2                                   |
| Resolution (mm)       | Y       | 0.003                                |
|                       | X and Z | 0.001                                |
| Aperture (mm)         |         | Ø10                                  |
| Spare Port (mm)       |         | For adjusting of optical fibre       |
| Load Capacity (kg)    |         | 1                                    |
| Weight (kg)           |         | 0.16                                 |
| Remark                |         | Able to fixate optical fibre fixture |
